VERIFIED STATEMENT

For the Examiner's convenience, a substitute and corrected specification has been submitted in the above-referenced application. The substitute specification incorporates all of amendments and corrections to the specification that are set forth in the accompanying Response. The amendments/corrections to the specification are entirely cosmetic and/or are submitted to incorporate proper headings, etc. in accordance with 37 CFR 1.77(b). The undersigned, a registered patent attorney, asserts that the substitute specification contains no new matter.

Respectfully submitted,

Dated: October 21, 2002
